

OTTO Product Change Notification

CHANGE NOTIFICATION #: 8112015
ISSUE DATE: August 11, 2015
PRODUCT(S) AFFECTED: P3 Series Pushbutton
EFFECTIVE DATE: On or about 10/1/2015

Dear Valued OTTO Customer:

The purpose of this notification is to inform you of a pending change to the P3 series Pushbutton switch. Please review this information in detail. Should you have any questions or require any additional information please contact your OTTO Regional Sales Manager or call us at (847) 428-7171 or email us at info@ottoexcellence.com.

Description of Change:

The P3 series Pushbutton hardware has been changed. The mounting hardware has been changed **from** Cadmium plate, yellow Trivalent Chromate finish **to** Zinc plate, Trivalent Chromate finish.

Impact on OTTO Customers:

None.

Reason for Change:

Due to changes in in RoHS regulations, the plating material of the P3 series pushbutton switch hardware has been revised to ensure continued compliance.

Effective Date:

The new design will begin shipping on or about 10/1/2015.
